

Matthew Coley The Handiest Man & Blessed Bee Winery Conroe, TX | (512) 633-7487 |  
mtcoley@gmail.com

## Summary

Highly adaptable professional with a comprehensive background in multiple industries, including construction, entrepreneurship, project and office management, and customer service. My career is a testament to my ability to lead teams, solve complex problems, and drive operational efficiency, bringing a unique perspective and innovative solutions to any challenge.

## Professional Experience

**Owner/Winemaker, Blessed Bee Winery & The Handiest Man™ 2012 - Present | Red Rock, TX & Conroe-Austin, TX**

- Led all aspects of a winery business, including grape farming, winemaking, and managing a tasting room.
- Managed and cultivated bee farms, showcasing skills in beekeeping and agricultural entrepreneurship.
- Built and managed a successful home repair business, handling residential and commercial projects including complete home remodels.
- Utilized expertise in electrical, plumbing, and construction to ensure high-quality, efficient project completion.

**QA/QC/Shipping Manager, Oilfield 2014 - 2022 | Spring/Conroe, TX**

- Oversaw quality control and assurance processes, ensuring all products met rigorous industry standards.
- Managed shipping operations, optimizing logistics for timely and cost-effective deliveries.
- Led a team to perform Non-Destructive Testing (NDT), as certified through The Ocean Corporation.

**Correctional Officer, Texas Department of Criminal Justice 2012 - 2014 | Huntsville, TX**

- Maintained security and discipline in a challenging environment.
- Developed strong interpersonal and communication skills while working with diverse populations.

**Office Manager, Home Hospice / Home Health 2010 - 2012 | Austin, TX**

- Managed day-to-day office operations, including accounts payable, accounts receivable, and customer service.
- Oversaw human resources duties, including hiring and training new employees.

**Electrician 1999 - 2010 | Porter/Conroe, TX**

- Gained extensive experience in residential, commercial, and industrial electrical work.
- Developed strong problem-solving skills and technical expertise in a hands-on environment.

**Education & Certifications**

**The Ocean Corporation Houston, TX**

- MT, UT, ET, RT, VT, HAZWOPER, Report and Procedure Writing (Oilfield)
